

# FRIENDS OF THE ULSTER CANAL

For some time now, IWAI has been running a campaign for the restoration of the Ulster Canal.

We have reached the stage where we believe that the best approach is to set up a separate body to take the restoration campaign forward. We want to attract the help and support of local communities, development groups, local authorities and state agencies and we believe that this can be best done by establishing a separate body, closely allied to IWAI (with the working title of the ULSTER CANAL TRUST) to address the views of all the stakeholders. Work to establish that body has already begun.

In the meantime, we need to raise some funds to support the ongoing work and we are appealing to IWAI members and the general public to donate £10.00 / €15.00 (or more if you can afford it) to a fund which we are calling the Friends of the Ulster Canal.

We are also trying to compile a list of people interested in helping out on this project by:

- (a) becoming a member of the Ulster Canal Trust when we get it established
- (b) helping out at work parties and clean-ups
- (c) helping out with other work such as fund raising, administration, publications etc.

If you send us a donation and check any of the boxes on the form, we will send you occasional updates telling you what is going on, invite you to become a member of the Ulster Canal Trust and probably ask you for more money at some point !

If you would like to help out, please fill in your details on the form and return it to the address below.
